Forensic Imaging and Virtopsy

Certificate of Advanced Studies CAS
Faculty of Medicine
University of Zurich

Overview

Curriculum

The CAS Forensic Imaging and Virtopsy provides theoretical knowledge and practical skills in forensic imaging, notably surface scanning and 3D-photogrammetry, post-mortem CT and MR, post-mortem angiography, robot-guided biopsy, and clinical forensic imaging.

The program is structured in three parts.

Part 1: Virtopsy Basic Course (theoretical aspects)
Part 2: Virtopsy Advanced Course (theoretical aspects)
Part 3: Practical work

Target

The major aim is to equip participants with in-depth theoretical and practical knowledge of indications, provision, diagnosis and assessment of a variety of imaging methods in postmortem radiology and forensic imaging.

Target audience

Students have a Master's degree in medicine and certification as a specialist in forensic medicine or radiology. Persons with a Bachelor's degree or with an equivalent qualification may be admitted to the program.

Number of participants

The program is restricted to a maximum of 20 participants.

Methods

The program combines academic teaching and research with clinical practice, while also promoting methodological skill.

Instructors

The main topics are taught by instructors from the University of Zurich. Invited guests from other higher education institutions and specialists in the field of forensic medicine, radiology and forensic imaging are part of the teaching staff.

Language

The entire program is conducted in English.

Organizing body

The Faculty of Medicine, University of Zurich
Prof. Dr. med Michael Thali
Head of the Zurich Institute of Forensic Medicine

Program Coordination

Dr. med. Wolf Schweitzer
Zurich Institute of Forensic Medicine

Degree

Certificate of Advanced Studies UZH in Forensic Imaging and Virtopsy (10 ECTS)

Assessment

- Case Book (documentation of 50 post mortem cases)
- Case Report (part of practical projekt work)
- On-site Case Reporting (documentation of one real case in our institute under our supervision)

Date

March 18-28, 2019

Part 1: 18-19 March 2019
Part 2: 20-22 March 2019
Part 3: 23-28 March 2019

Venue

Zurich Institute of Forensic Medicine
Winterthurerstrasse 190/52
Campus Irchel
8057 Zurich
Switzerland

Cost

CHF 8 000.–
For all three modules, which includes Virtopsy Basic and Advanced Course, materials and examination fees.
Not included are travelling costs, food and housing.

Application deadline

November 30, 2018
